Descriptive Phrase:

We have had a Patent for our product, Uconceive, since March 1, 2005 and a Trademark since September 24, 2013.

We simply applied to add this "Descriptive Phrase" to our product.

(A Couple's Conception Kit) is just a descriptive phrase.

This was approved initially in the evaluation process of the government Trademark office. Our using this "phrase" does not infringe or conflict with this other product.
